STORY

A single man arose to face the evil threatening humankind! His name was Saitama. He became a hero for fun!

With one punch, he has resolved every crisis so far, but no one believes he could be so extraordinarily strong.

Together with his pupil, Genos (Class S), Saitama has been active as a hero and risen from Class C to Class B.

One day, the seer Shibabawa predicts a great danger to Earth and dies. Soon after, a group of interstellar bandits led by an alien named Boros attacks Earth. Class-S heroes and Saitama defeat the alien invasion, but City A is destroyed. Later, the Hero Association erects a fortress where the city once stood...

ONE-PUNCH MAN

ONE + YUSUKE MURATA

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.
